Position Description

Position:	Mobile Therapist
Qualifications:	Licensed Mental Health Professional supervised by Licensed Doctoral Level Psychologist or by a Licensed Clinical Psychologist; or an individual with a graduate mental health degree from a program that requires a supervised clinical practicum experience and at least one year experience in the provision of Mental Health Services to children, adolescents, and families; and Act 34 and Act 151 Clearances.
Reports To:	Treatment Coordinator for Provider 50 Services and the Supervisor of Clinical Support
Location:	Colonial Intermediate Unit 20 and other administered service areas
Job Goal:	To provide solution focused treatment that will focus on helping clients learn to respond to their daily environment in a practical and productive manner. Emphasis will be placed on client's current needs, functions, and support systems, as they relate to needs.

Essential Duties and Responsibilities:

1. To assess treatment needs of identified clients and develop a treatment plan and goal treatment plan to address those needs utilizing a strength-based solution focused model of treatment.
2. To provide direction and support to the Therapeutic Staff Support in the implementation of the treatment plan including training in the specific interventions if necessary.
3. To provide therapy as outlined in the treatment plan.
4. To utilize the collaborative treatment planning process, which includes all involved parties in identifying needs, steps, and intervention strategies.
5. To develop a Severe Behavioral Plan, which can address steps to be implemented in a crisis situation.
6. To provide documentation to meet the requirements of medical assistance managed care organizations, and CIU20 guidelines.
7. To provide weekly supervision as required under MA guidelines.
8. To review and approve with signature all documentation provided by assigned Therapeutic Staff Support.

9. To implement and adhere to CASSP principles in the provision of mental health services.
10. To attend and participate monthly Provider 50 in-service programs to insure clinical competence and an awareness of administrative responsibilities.
11. To maintain, at a minimum weekly contact with Therapeutic Staff Support and Wraparound Facilitator to insure communication, collaboration, and the provision of an appropriate level/type of intervention to meet client needs.
12. To seek out clinical supervision from the Treatment Coordinator for Provider 50 Services or their designee when aware that the case assigned is beyond the scope of current competencies or has hit an impasse.
13. To participate in CASSP, Interagency, MDE/IEP meetings, as needed/directed.
14. To perform other duties as directed by supervisory/clinical staff.

This job description in no way states or implies that these are the only duties to be performed by the employee occupying this position. Employees will be required to follow any other job-related instructions and to perform any other job related duties requested by their supervisor.

Term of Employment: Salary and work year to be established by the Board.

In accordance with state and federal law, reasonable accommodations will be considered upon employee request.
