Dear Parent or Guardian,

Please be advised that all fifth, sixth, seventh, and eighth grade students in the Colonial Academy will participate in the Pennsylvania System of School Assessment or PSSA during the months of April and May.

The PSSA assessments are based on the Pennsylvania Academic Standards. As such, they are designed to assist school districts in determining the quality of their educational programs. Parents can reassure children that these assessments give them the opportunity to demonstrate their learning and help teachers plan the best possible instruction for them.

Please make every effort to ensure your child attends school during these testing periods. Visit our website at www.ciu20.org to obtain additional information about the testing procedures. Once on the website select the tab "Colonial Academy." On the left side you will see a selection for "testing information." Please feel free to contact me with any questions or concerns.

Sincerely,

A handwritten signature in blue ink, appearing to read "M. Halamar". The signature is fluid and cursive.
