

Tuesday, June 19 and Wednesday, June 20, 2018

During the two-day Leader in Me Principal's Academy workshop, participants will be introduced to the Whole-Person Paradigm—a foundation for effective leadership—and the 4 Roles of Great Leaders™: modeling, pathfinding, aligning, and empowering. They will utilize the powerful LQ Assessment to pinpoint their leadership strengths and areas of improvement.

Participants will learn how to use and apply powerful leadership tools, such as the 4 Disciplines of Execution®, to address chronic problems faced by their schools, with time to lay a framework to implement these leadership skills upon returning to their schools.

Facilitated by: Muriel Summers, Co-Founder of Leader in Me

Muriel Summers and her staff created the first leadership elementary school in the nation using FranklinCovey's 7 Habits program as a foundation. Her school, A.B. Combs Leadership Magnet Elementary, has been featured on several national television programs including PBS, Good Morning America, and The Oprah Winfrey Show. A.B. Combs Elementary is also featured in Dr. Stephen Covey's book *The 8th Habit and The Leader in Me*.
