Topic: 2015-2016 School Year FREE Breakfast and Lunch Program

Dear Parents and Guardians:

We at the Colonial Academy recognize the importance of having all of our students eat a healthy breakfast and lunch while attending our school. So, it is with great excitement that I share with you some recent developments regarding the breakfast and lunch program at Colonial Academy. Recently the National School Lunch Program (NSLP) has offered qualifying schools the option to participate in the Community Eligibility Provision (CEP). This is an option that Colonial Academy has pursued and has qualified for.

What this means to you and your student is simple. **All students who attend Colonial Academy will receive FREE breakfast and lunch on a daily basis.** There are no applications to fill out. The process is automatic. Please encourage your student to take full advantage of this opportunity while at Colonial Academy. In addition, please note that this opportunity is specific to Colonial Academy and **does not guarantee** that your student will be eligible for free or reduced meals at their sending school.

We look forward to serving your student in the upcoming year at Colonial Academy.

Sincerely,
